***Re: Notice of Ex Parte Meeting
WP Docket No. 16-261
RM-11719
RM-11722***

Dear Ms. Dortch:

On March 16, 2017, the Central Station Alarm Association and the related Alarm Industry Communications Committee (“AICC”)(collectively “CSAA”) submitted draft suggested revisions to Rule Sections 90.35(c) and 90.267(f) of the Commission’s Rules, designed to implement the terms of the Consensus Plan for greater use of the central station alarm frequencies attached to the December 22, 2016 Reply Comments of LMCC and CSAA. CSAA wishes to clarify that the LMCC will be submitting the draft for approval by its full membership shortly. The parties will provide a final version of the suggested rule changes at that time.

Please direct any questions concerning the above matter to the undersigned at (202) 828-5540.

Sincerely,

/s/

John A. Prendergast
Counsel for CSAA
